# FINISH@Coil E1

**Finish@Coil E1** is a market leading, durable, easy-to-use auto coil finisher and crimper. Intentionally designed to provide maximum productivity and best results while requiring minimum efforts from the operator.

With its adjustable full-size rollers, this high-capacity electric coil inserter makes coil inserting extremely fast and easy, even on the extra-large diameter sizes. Furthermore, the built-in electric coil crimper provides consistent and perfect crimps on all coil sizes up to 50mm, crimping off the excess coil in your book with a simple press of foot pedal. The **Finish@Coil E1** is an ideal solution for all binding centers, especially those with large workloads.

## Finishing Applications

in Binding Centers, Educational, and Office Settings

## Specifications

Max. 11.375" wide

Binding Capacity  
up to 50mm

	FINISH@Coil E1
Inserting and Crimping	Electric / Auto
