# FINISHpro ELECTRIC

Electric Guillotine Cutter

# FINISHpro ELECTRIC

The FINISHpro Electric Guillotine is the perfect solution for your light-production cutting needs. With a cutting width of 16.9" and depth of 17", it can easily handle a full ream of paper. The guillotine features a wheel-driven paper clamp, smooth cutting action with an electric blade, and easy positioning of the back gauge. Safety is ensured with a guard on both the front and rear table, and a lock mechanism ensures the blade cannot be lowered if the guard covers are open. Complete with a resharpenable blade and stand, it's ideal for small print shops, schools, and copy shops. Experience quality, performance, and safety with the FINISHpro Electric Guillotine.

**Finishing Applications** in Print Shops.
